Sells Brothers' Circus.

This long expected circus and menagerie gave two exhibitions in this city Wednesday, notwithstanding the inclemency of the weather. The street parade took place in the rain and was witnessed by a large crowd under umbrellas. The people came in from the country by scores and seemed not to be deterred by the weather. The performance was given in the afternoon to a large crowd who waded through the mud shoe-mouth deep to get to the tent. At night it was still very muddy, but no rain fell. The show is an excellent one in all its parts and comes fully up to the representations made. There are a number of features that deserve especial mention, among which are the educated elephant, the iron-jawed woman, the bareback riding and trapeze performance.

The Fair Hop.

The Annual Fair Hop given at the rink Friday evening was a pronounced success. The attendance was very large, many young ladies and young gentlemen from a distance being present. Hopkinsville was well represented by her prettiest young ladies and most gallant beaux. The music by the Warren Band was first-class and the weather was cool and pleasant. The dancing did not begin until after the theatre. It continued till a very late hour, or rather a very early hour Saturday morning.

Dead in the Fortieth of a Second.

A learned writer in one of the scientific magazines claims that death by hanging is the most humane method of putting criminals out of the world that has yet been discovered. From numerous observations of executions, and careful computations of time required for the sensor nerves to carry the feeling to the brain, he thinks the pang occasioned by the fall is very brief, and places the time which a man is conscious of this own feelings, after bringing up at the end of the rope, at .025 of a second, in other words, a man who is hanged, has his senses just one-fortieth of a second after the line is taut.

The reason all the boys stop at the Phoenix is that they can get cigars, lemonade and such like at the excellent bar attached to the hotel.

You will always find a crowd at the Phoenix Hotel Bar, which certainly indicates that they keep fine liquors and cigars.

Cards are out announcing the marriage of Miss Lella P. Ware to Mr. M. F. Crenshaw, at the Baptist church in this city, next Thursday, Oct. 8th, at 5 o'clock P. M.

The Phoenix Hotel is crowded but can still accommodate many more. The table is the best in the city. The rooms are large, well ventilated and well kept.

The first hoghead of new tobacco brought to this market this year was received by Messrs. Wheeler, Mills & Co., Friday, Oct. 2nd. It was raised by Messrs. W. A. & J. J. Reed, of Bellevue.

As ever Yours &c.
M. LIPSTINE, C. C.

The Phoenix Saloon is abundantly supplied with everything in the way of drinks. Its whiskies, brandies, wines and other liquors are of the very best brands. Adjoining Phoenix Hotel.

The hopes entertained yesterday that this would be a pretty day for the Fair were dispelled by the rain this morning. The weather has been so very unfavorable all this week that the attendance has been very small. There have been many strangers in the city but the masses of the country people who make up the crowds at the fairs failed to put in an appearance on account of the weather.

Mrs. Jas. A. McKenzie, of Oak Grove, is in the city.

Warren's Crescent City Silver Band.

This excellent Band, which is making the music for the Fair, treated us this morning to a delightful serenade, for which we desire to express our sincere thanks. The Band is one of the best in the west and is quite a favorite with our people. The selections rendered under our window were very fine and we again thank the gentlemen for the compliment.

The Katie Putnam company played "The Little Detective" last night to the best house of the season. Almost every seat in the auditorium was taken. Miss Putnam is gaining new popularity by every performance although she has always been a prime favorite with Hopkinsville theatre-goers.
